

A photograph of a dense forest with tall, slender trees and a lush green undergrowth. The trees are mostly deciduous with green leaves, and the ground is covered in a thick layer of green plants and fallen leaves. The lighting is soft, suggesting a dappled sunlight effect.

MEMORIAL

✧ LIFE WELL CELEBRATED® ✧

Friends,

You hold in your hands a book that helps us recall and honor the names of those we have loved and lost. The Yizkor service is available in both our Machzor and Siddur Lev Shalem. The Book of Remembrance includes the following sections:

Memorial Plaques:

- The names of those remembered by a plaque on our Memorial Wall and enshrined in the Memorial Alcove in the Sanctuary Lobby during the week of the Yortsite. When a Memorial Plaque is dedicated, the name is included in our permanent record and you are notified each year of the Yortsite date by the Rabbinic Office so that you can pay proper respect to the memory of your departed. For further information, please call the Rabbinic Office after the holiday.

Memorial Listings:

- Individual memorial listings from members of our community.

Zichronam Livracha:

- Our past presidents and officers.
- Loved ones lost within the last year.

If you have any questions or concerns regarding the content and organization of our Book of Remembrance, you are welcome to contact the Administrative Office after the holiday.

We Remember Them

At the rising of the sun and at its going down,
we remember them.

*At the blowing of the wind and in the chill of winter,
we remember them.*

At the opening of the buds and in the rebirth of spring,
we remember them.

*At the shining of the sun and in the warmth of summer,
we remember them.*

At the rustling of the leaves and in the beauty of autumn,
we remember them.

*At the beginning of the year and at its end,
we remember them.*

As long as we live, they too will live;
for they are now part of us,
as we remember them.

*When we are weary and in the need of strength,
we remember them.*

When we are lost and sick at heart,
we remember them.

*When we have joy we crave to share,
we remember them.*

When we have decisions that are difficult to make,
we remember them.

*When we have achievements that are based on theirs,
we remember them.*

As long as we live, they too will live;
for they are now a part of us,
as we remember them.

*Sylvan Kamens and Jack Riemer
